THANKS A MILLION!

ANNUAL REPORT

2018

2018 - YEAR IN REVIEW

ONE IN A MILLION

Logan County achieved a philanthropic milestone, becoming the smallest community in the state to raise \$1 million for its local United Way! With the help of our corporate partners, Million Dollar Roundtable volunteers, and nearly 4,000 individual donors, \$1,038,555 was during our 2018 fall campaign, marking a 9.1 percent increase over last year. It's the fifth straight year you've helped us surpass our fundraising goal.

STRATEGIC PLAN ADOPTED TO GUIDE NEXT FIVE YEARS

We unveiled a new Strategic Plan in January to focus future funding on three over-arching community needs while increasing the capacity of the organization. Substance Abuse, Financial Stability, and Workforce Readiness will receive increased attention from United Way in coming years, with bold goals established to make measurable impact on each issue. Internally, United Way will focus on establishing an Endowment Fund, to provide more outreach to outlying areas of Logan County, and to increase volunteer opportunities for individuals and groups.

LIVE UNITED @ WORK LAUNCHES

We became the second United Way in Ohio to offer on-site Resource Coordination for employees of participating businesses with the launch of our LIVE UNITED @ WORK Financial Wellness program. Ashley Spence was hired in December to coordinate the program in which she meets one-on-one with associates about non-work related issues. A small, payday loan

alternative with Quest Federal Credit Union to help with short-term financial emergencies is an important feature of the program.

19,255 books were mailed to Logan County preschoolers via our Dolly Parton Imagination Library. About 1,700 children under age 5 are enrolled in the free early childhood literacy program.

COST OF POVERTY EXPERIENCE

We hosted a pair of poverty simulations with Think Tank, Inc.'s Cost of Poverty Experience. More than 100 community leaders and two dozen high school upperclassmen participated to learn more about the impact that poverty has on our community. The simulations sparked discussion and further involvement from individuals now working on solutions to help families increase financial stability.

STUFF THE BUS

Mountains of school supplies (more than 8,400 in fact) were donated to our Stuff the Bus collection throughout Logan County. The 1,808 glue sticks, 1,660 notebooks, 1,255 folders, 447 boxes of crayons, and thousands of additional supplies were sorted at NEX Transport by volunteers and delivered to all local schools.

NEW PROGRAMS, ORGANIZATIONS RECEIVE SUPPORT

Bellefontaine Police Department, the Logan County Coalition on Opiate Relief Efforts (CORE) and the Logan County Sheriff's Office became United Way Funded Agencies. 42 programs of 28 Funded Agencies receive 2018 allocations. 18 additional organizations received support throughout the year via our Community Impact Fund and Youth Allocations grant fund.
