About 4C for Children

Our staff of early childhood experts help child care programs and professionals reach new levels of quality by providing workshops that promote professionalism and developmentally appropriate care.

For more information about the many services and resources our staff of early childhood experts can provide you, please contact us or visit www.4cforchildren.org.

Start your business ownership journey today

Are you interested in opening a child care center or family child care home in Logan County? The early childhood professionals at 4C for Children can help you learn how to be a successful child care owner.

We offer a variety of FREE resources to help you launch your program.

- Start-up and business training around first aide, CPR, licensing, effective business practices, etc.
- Individual help to break down the process of starting a business into bite-sized pieces.
- Help building a road map to meet your program goals.
- Professional and local community resources to support your business

Those starting a child care program may also be eligible for financial benefits:

- No application fee
- \$2500 incentive for offering services to vulnerable children
- Financial assistance for start up costs (furniture, educational materials, office supplies)
- \$1,000 incentive when quality rated
