FROM OUR CAMPAIGN CO-CHAIRS

RICK & JILL HATCHER

United Way of Logan County

"I think our take away from the campaign is not only how generous and caring our community is for those in need, but how passionate it is for United Way! The best part was getting out to all the workplaces and meeting all those Campaign Champions and donors who make the campaign a success year in and year out.

"We're pretty competitive people, so it's great to set goals and then work hard to achieve them. But in addition to that, by surpassing our lofty goal, it's allowed us to give even more support to the community. When you hear that one in three people benefit from United Way in Logan County, it's hard not to believe in the importance of supporting United Way."

ABOUT TODAY'S CAMPAIGN AWARDS

GOOD NEIGHBOR AWARDS

With an emphasis on local drug epidemic, we awarded CORE the largest one-time grant in United Way of Logan County history with \$26,150 in 2017. CORE is now a Funded Agency.

An overflow of donations to our Stuff the Bus school supply drive resulted in two box trucks full of deliveries to local schools in advance of the 2017-18 school year.
