ALISON MARKER, President, Marker, Inc.

"We love our community, we love Logan County, and we want to give back as much as we can. We have 140 associates who have really big hearts. United Way for us is a 'one-stop shop' for a way for us to all come together and give to community."

DAWN BEELMAN, President, PCPI Plastics

"United Way is the best way to give your money to people who need it because they can vet the agencies and have a long history with the agencies. It's a great way for a little company in the middle of nowhere to get involved in the community and give back."

RICK POWERS, Division Manager, NX Automotive Logistics

"We have three pillars at NXAL: the customer, the associate, and the community. We feel like our participation in the United Way Campaign is a great way to tie those last two pillars together. Giving back to the community, this is a great way for our company to exhibit that. It's something our associates look forward to each year."

EFFECTIVE. EFFICIENT. A NAME YOU CAN TRUST!
