Dolly Parton's Imagination Library is a book gifting program that mails free, high-quality, age-appropriate books to children from birth until they are 5 years of age.
United Way partners with Dolly Parton's Imagination Library and The Dolly Parton Imagination Library of Ohio to make this program possible in our three-county area. Annually it costs \$25 per child to receive 12 books mailed straight to their home. This is made possible by generous donors, local educators, libraries and various community partners. With their help, there is no cost for any family - regardless of race, gender or socioeconomic status.
